<u>Policy # 9</u>	INSIGNIA (State Merchandise)

Effective Date:

January 6, 2018

Policy Wording:

(ST) Association of Nutrition & Foodservice Professionals must abide by rules set forth by the Association of Nutrition & Foodservice Professionals (ANFP national) to ensure chapters are following all state and local regulations pertaining to sales and use tax registration and tax return filing. Initially, there are two parts to obtaining permission from ANFP national to sell merchandise. First, a request must be submitted to national for approval to sell specific merchandise, and second, determining whether or not sales tax must be collected and tax returns filed, and if so, filing for a tax identification number.

When requesting to sell merchandise for the first time, the chapter must complete the **ANFP State Chapter Request to Sell Merchandise** form. If permission is granted, the **ANFP State Chapter Request to Proceed with Process to Obtain State Sales Tax Identification Number** form must be completed. ***ANFP strongly advises that a tax professional be retained (Certified Public Accountant, accountant, or auditor) who can contact the chapter's state department of revenue to determine whether or not the chapter must register to collect and pay to that state sales and/or use tax collected on the sale of merchandise sold.*** After the accountant has registered the chapter, the chapter must provide ANFP national the proof that the chapter is registered, the filing frequency required (annual, monthly, or quarterly, etc.) and copies of all current and future tax returns filed. The chapter must not purchase or sell any merchandise until the sales tax status has been determined, reviewed, and approved by national.

If a chapter has completed the above process, and would like to sell merchandise again, the **ANFP State Chapter Request to Sell Merchandise** form must once again be completed and submitted to national. This form must be completed and submitted *each time* a chapter would like to sell merchandise. After the request is approved, and the form signed by national and returned to the chapter, the chapter may then order the merchandise and sell to its members. If merchandise will display/carry the ANFP or CDM, CFPP logo, a proof must be submitted to ANFP along with the completed form to ensure the ANFP or CDM, CFPP logo is being used properly, according to its trademark.

Chapters must keep in mind that if they are granted approval to sell merchandise and obtain a sales tax identification number that there will be additional, ongoing responsibility for the officers of the chapter. The chapter must keep detailed and organized records for the preparer of the tax returns. The tax returns must be filed and paid on time, and copies of all returns and backup must be submitted to national at the time they are completed. National reserves the right to withdraw approval of the chapter selling merchandise at any time.

<u>Policy # 32</u>	ORGANIZATION ("Firing" From a Board or Committee Position)	
---------------------------	---	--

Effective Date:
January 6, 2018

Policy Wording:

If a volunteer is not fulfilling his or her duties, the national, chapter or district Executive Board has the right and responsibility to find a new volunteer to finish out the term.

The board must follow guidelines in terminating a volunteer's services:

- 1) Each volunteer position should have timelines that need to be met so that each volunteer knows when project deadlines are and if he or she can meet those deadlines.
- 2) Each volunteer has the right to know his or her responsibilities and the timeline in which he or she is to complete his or her tasks. This information should be given to the volunteer before he or she assumes their volunteer position.
- 3) If a volunteer fails to meet one deadline, the Executive Board should attempt to contact the volunteer and find out if help is needed. If the volunteer needs support, proper support should be given (i.e. if the Newsletter Editor needs someone to address and stamp the newsletters after it has been printed, volunteers should be sought for this). The volunteer who has expressed a desire for help should be given it.
- 4) A volunteer who fails to meet two or more deadlines, or misses two or more meetings without notifying a board member should be put on probation. Probation includes:
 - a. Written notice that deadlines have not been met;
 - b. A face-to-face meeting or phone call to the volunteer to make sure he or she understands the deadlines and his or her responsibilities;
 - c. Assigning a board member to keep in contact with the volunteer on a weekly basis to make sure deadlines are being met.
 - d. Depending on the volunteer duties, a timeline in which to meet deadlines should be established or termination will be sought.
- 5) If a volunteer fails to meet his or her responsibilities after this probation, the Executive Board may vote to terminate the volunteer and find a replacement.
- 6) Throughout this process, all communication (including e-mails, letters and phone calls) should be documented, including date and time, and a copy should be sent to the national Advocacy Department. If a dispute arises, the national office needs to know what has transpired.
- 7) If it is an Executive Board member who is not fulfilling his or her duties, the same process should be followed.

The key to all volunteer jobs is an understanding of what is expected and when. If a volunteer has not been given proper training, he or she cannot be expected to fulfill his or her duties correctly. Please make sure all volunteers have some sort of training and are comfortable with the job they are to do before they take over!

<u>Policy # 52</u>	REIMBURSEMENT (Reimbursement Procedure)	
---------------------------	--	--

Effective Date:
January 6, 2018

Policy Wording:

To avoid problems with volunteer jobs that involve the exchange of money, the following guidelines should be followed:

- 1) Money should never be given to a volunteer directly to pay for a product or service before the product or service has been purchased.
- 2) Timelines should be established so that the volunteer has enough time to notify the treasurer to whom the check should be made out and where it should be sent. This will avoid problems of volunteers accepting money to complete a task and then not finishing it. For example, a member volunteers to develop a Web site for the chapter; the chapter gives the volunteer money to pay a vendor to develop the site, but the site is never developed. Instead, the money should be paid directly to the vendor.
- 3) Maximum allowable charges should be established so that volunteers do not pay too much for a product or service. For example, if the maximum allowable fee for getting the newsletter printed is \$500, the volunteer should not be allowed to spend \$700 unless he or she has authority from the board prior to the printing.
- 4) If a volunteer must outlay money for his or her volunteer job (i.e. the membership chair must make phone calls and send letters using his personal phone and stamps), the volunteer should seek reimbursement after the job has been completed.
- 5) The chapter and/or district should have a reimbursement form with guidelines of what can be reimbursed. These guidelines should also include the maximum allowable rate of reimbursement for things such as hotel rooms, mileage and food.
- 6) Volunteers should be given blank reimbursement forms at the beginning of their term and should have a set number of days after an outlay in which to submit a reimbursement. For example, if a chapter president needs reimbursement for hotel expenses for a chapter meeting, he or she must turn in the reimbursement within 10 days after the meeting. This will avoid volunteers seeking reimbursement for an activity that happened a long time ago.

Effective Date:
January 6, 2018

Policy Wording:

If your chapter or district would like to organize a raffle, bingo, or other games of chance for fundraising, consider the following:

- Chapters may need to file for a license with the state's charitable gaming division every single time it holds a raffle. This varies from state to state.
- Check in advance as to what the required licensing and permits may be required as regulations vary from state to state.
- Chapters that do not obtain a license or permit in states where this is required, may face hefty fines and/or penalties, which will be at the expense of the chapter.
- Check if a permit with the local governing body, like a county or municipality is required.
- Inquire with your state about price limit raffle tickets as well as the limit of the value of the prize.
- Inquire with your state about proceeds and whether or not your chapter will need to pay a percentage or keep all proceeds in the state.
- Check with your state if your chapter must keep records on receipts, expenses and net proceeds for each event or occasion when winning chances are determined.

Projects to be considered are:

Raffles
Bake sales
White Elephant sale
Cookbook project
Etc.

When planning a fund raiser consider the following:

Never raise money just to build a bank account. Never sell membership names and addresses. Consider projects which present a professional image of ANFP. Never endorse a product. Fund raising conducted at a meeting should not be used to underwrite the expense of that meeting.
