

**Let's Celebrate**

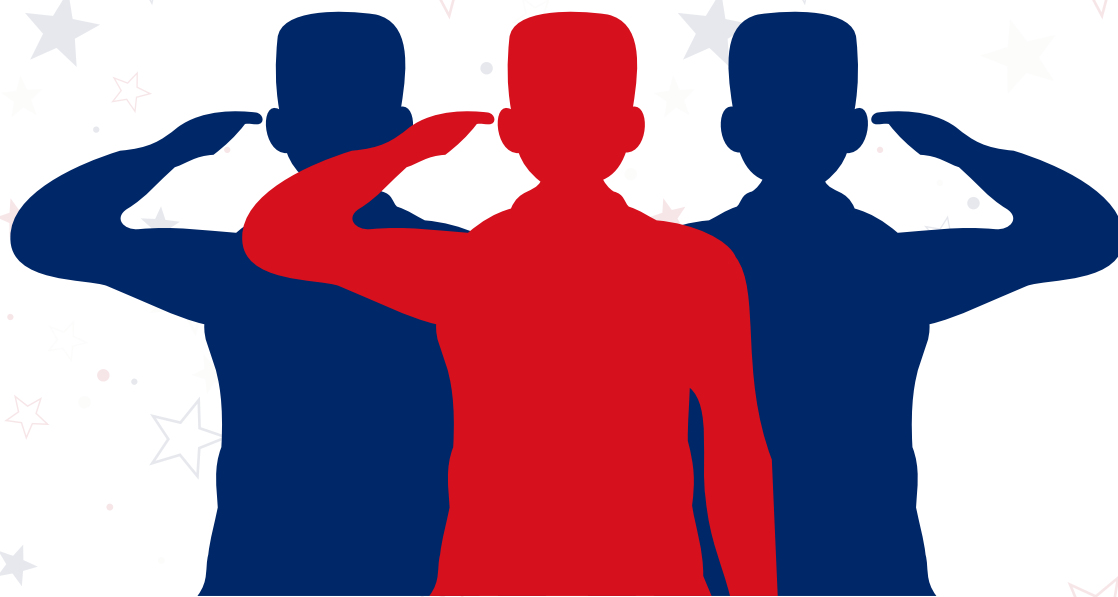

**November 2024**

---

**Veterans Day**

**Educate**

- Learn about the advocacy issues our veterans are facing and how you can help move them in the right direction.
- Listen to the Library of Congress' oral histories and view personal photo collections from a diverse group of veterans from all branches of the military.
- Take a virtual tour of Veterans and War Memorials throughout the country.
- Read non-fiction books about veterans' stories, experiences, and life after war.

## Take Action

- Fly the American Flag in your office, on your desk, or at home!
- Write a thank you card and send it to a veteran or thank a veteran directly (in person).
- Recognize the veteran residents, staff, or clients within your facility or organization with a small token, ribbons, or photos (with their permission) in a common area, along with their branch and years of service.
- Attend your local Veteran's Day parade.

# Chapters

In addition to the tools and resources listed above, chapters can take further action to celebrate Veteran's Day at the state level:

- Organize a care package packing party or hold a drive for supplies/goods at your next chapter meeting.
- Ask a veteran to share their story at your next chapter meeting or virtual session.
- Honor veterans through a wreath placement donated by the chapter.
- Share ANFP's social media posts and toolkits, and encourage members to do the same!
