About ANFP

Association of Nutrition & Foodservice Professionals (ANFP) is a national not-for-profit association established in 1960 that today has over 15,000 Professionals dedicated to the mission of providing optimum nutrition through food management.

ANFP members work in hospitals, long-term care, schools, correctional facilities, and other noncommercial foodservice settings. The association provides food service references, publications and resources, employment services for members, continuing education development, and certification programs. ANFP monitors industry trends and legislative issues and publishes one of the industry's most respected magazines.

LETTER FROM THE PRESIDENT

Join Us for the Fall Conference and Get Involved!

Dear Members,

As the fall season approaches, I wanted to personally reach out and invite each of you to our upcoming Fall Conference on October 17th and 18th. This is an excellent opportunity for us to connect, share ideas, and collaborate on the exciting initiatives we have underway.

We are currently working on several key projects, including outreach to new and existing members, expanding our presence on social media, and participating in community events. These efforts are crucial in growing our organization and strengthening our impact.

However, to make these initiatives successful, we need your help. Whether you're interested in taking a seat on the board, joining a subcommittee, or volunteering in any other capacity, your involvement would be invaluable.

Thank you for taking the time to read this newsletter. I hope to see you at the Fall Conference and look forward to working together to achieve our goals.

Warm Regards,
Jean Siegel
President, ILANFP

Members,

did you know?

For years we have consistently provided discounted registration for our state chapter meetings, and as we continue to grow we are faced with the challenge of spreading our messages and getting more to join our cause. Your increased registration this year will help us to be able to continue to provide worthwhile CEU's and an opportunity to connect one another- as well as the funding to be able to connect with others. Our cause is only as relevant as the people who make it important enough- spreading our message and growing our chapter is an ultimate testament to those we serve.

ANFP has adopted **Crowded** as its new financial platform with mandatory Chapter participation. This comes as an extreme benefit to our members, as it allows for closer oversight for the funding that is provided by yourselves to maintain our Chapter. Along with this transition comes a simple way to pay Registration Fees safely online (checks still acceptable). We've decided as a chapter to eat the cost of any processing fees- to keep your registration at a flat rate. ANFPtv has some great information regarding this change.

If you register and attend the 2024 Fall Meeting and can name a person pictured in this September, 2024, ILANFP newsletter correctly, you can be included in a drawing for a gas card. The winner is to be announced during the conference board meeting. You must be present at the meeting to win.

As a member of ILANFP you can audit the ILANFP Board Meeting October 16th, at 7 pm, Northfield Inn & Suites Conference Center, Breakfast Room, near registration desk.

Board nomination voting is accessible to members who do not attend the upcoming fall meeting, simply email our Chapter Secretary for more details!

If you are a student currently registered in a dietary management course and can provide proof, by attending a state meeting the following meeting cost would be 50% off.
