Fall Workshop Edition

Hello ANFP members!

Hello all ANFP Members.

The days are starting to grow shorter, and the temperature is slowly dropping as we move toward the Holidays

Thanking everyone who attended the Fall Workshop and inviting those who didn't attend to join us next year.

You all helped make it the success it was and was nice seeing everyone enjoying the Speakers and the Vendor Show.

As you all know, we are always learning new things, which help broaden our horizons.

As we begin planning for our Spring Workshop, reminding everyone you can always help by volunteering for ANFP.

Wishing everyone a wonderful holiday season and hoping to see many of you in the spring.

Sincerely
Patrick Dellinger

A Message from Our Past President

Past-President's Message Fall 2024

A quick "shout out" to those that attended the past Fall Workshop in Ocean City. Our 28th Year, is in the books and a success that was: 21 credits including the hard-to-find Ethics, 7 Sanitation and 13 general CE's! Wow, what a time for networking and education. We had the Sheriff of Worcester County speak to us about active shooter, we Sherri C Herzog and even Santa gave us a visit. We had 21 vendors representing their products and services and the latest products and innovations you can think of. If you have a great vendor, please let us know. You didn't make it? Next year, we promise it will be memorable for you and us.

Keep your eyes peeled for the Spring workshop as the team gears up on finding a location and speakers that speak topics that are important to us. Do you have space at your community for a Spring Conference, have a topic you want to speak about or know someone who would like to speak at one of our conferences, please let us know!

5 Things to help you be successful:

1. Dream big
2. Take consistent action
3. Never give up
4. Think positively
5. Believe in yourself and your dreams

To End: Thank you for all you do, every day, day-in and day-out making a difference in the lives for so many. You have a much bigger impact on those lives you touch than you think!

Robert McKeon, Past-President of the MD/DE/DC ANFP Chapter
